For months I've been having a shifting issue. If I hit the gas pedal the car jerks, and shifts really hard. I've taken it to the dealership countless times and I get the same thing, "There's nothing wrong." They've read codes, nothing comes up. I just had my car inspected on February 28, and it passed with flying colors. I also got a battery that day and I'm hoping it has something to do with ...
