Step 1. Note that statistics are used every day. Have you voted for a politician because he claimed his economic policies would lower the unemployment rate and increase the GDP? Have you chosen a surgery that your doctor said would extend your life expectancy by 10 years if successful, but had a 5% risk of serious side effects? Have you chosen to lower your insurance premiums by \$30 per month by ...Step 2. Work on gaining knowledge of statistics. Average[1] X Research source - the usual, or ...

With each new level, the basic score goes up by 50 points. The most basic way to score in Bejeweled is by matching three jewels in a horizontal or vertical row. To reach for more points, try to match four jewels; the four will condense down into a Flame Gem, which will carry over into the next level if you don't use it.
