Methodology. To choose the Best Online Courses for 2016, we first started with our list of the Best Online Course Providers for 2016. Those providers were chosen based on the number and variety of courses offered, the number of students enrolled in them, and their quality based on curriculum, professors, and reviews.

## **Online College Courses & Classes**

"This was an excellent course. I paid for the guided study and loved it. My instructor responded immediately if I had any questions. The online webinars provided great info, and the forums with other students were very useful. I'm glad I decided to do the guided study so I had access to all of those resources.
