The Lunar Nodes are mathematical points between the Sun and the Moon that are critical in astrology. They represent karmic lessons and how we can transcend that karma in order to evolve. There are two Lunar Nodes: the North and the South.

The Lunar Nodes Changing Signs November 2018 - Forever ...

The basic idea behind the lunar nodes is this: when the moon travels northward and conjoins the north node, we arrive at the positive, creative, and evolutionary spiritual plane. We are pushed to let go of the past. At this time the Moon is oriented towards the Sun and drinks in the (en)light(enment) of our Solar Will and purpose.
