UNIQUENESS | meaning in the Cambridge English Dictionary

Then you must have some kind of uniqueness, some quality that makes you stand out from all the rest. When you break down the word uniqueness, it's easy to see what it means. First you notice the word unique, which means "one of a kind." Then you notice -ness, a common suffix that's used to form nouns that refer to a state of being.

uniqueness - Dictionary Definition : Vocabulary.com

Individuals who value uniqueness desire to see themselves as different from others. There is another point, besides lack of universality and necessity, which it is important to realize as regards causes in the above sense, and that is the lack of uniqueness. It was just such uniqueness of points of view that startled Ruth.
