Marshall Cavendish Education Primary Mathematics ...

Math in Focus®: Singapore Math by Marshall Cavendish is a comprehensive math program developed for Grades K to 8 in the United States. Math in Focus® Courses 1 to 3 (for Grades 6 to 8) builds upon students' understanding of mathematical concepts gained in the earlier grades to help ensure a smooth progression in their learning journey.

Marshall Secondary Part1 FA - The United Knowledge

Dimensions Math (7-8) is an updated and more colorful version that is now aligned to the CCSS. It's also considered a sequel to the Primary Math programs. Math in Focus (K-8) was developed by Great Source (a division of Houghton Mifflin Harcourt) in conjunction with Marshall Cavendish (the original publisher in Singapore). Although the basic instructional sequences are similar and the content is very close to the SE, material added to the most recent editions brings it into alignment with CC.
