Read A Sun White Paper

People read the first page or two of a white paper but if the work reeks of "marketing!" they stop reading. The purpose of an academic-like paper is to position the authors as experts in a field. Sharing knowledge is an efficient way to support that claim (blogs, webinars and podcasts are other ways to showcase expertise).

Do People Really Read White Papers? [Expert Roundup ...

A white paper is an in-depth report or guide about a specific topic and the problems that surround it. It is meant to educate readers and help them to understand and solve an issue. In the world of marketing, a white paper is a long-form piece of content, similar to an eBook.
