Scaling Up How A Few

• To scale up a business there are a few key priorities that should be set: o Free up the senior management team from operational issues o Refocus them on market facing activities and strategy setting o Align the junior team to drive execution • A goal without a routine is a wish. A routine without a goal is aimless

Rarely do I mark and highlight things in books - after reading Scaling Up I've ended up with tons of notes, post-its and underlined paragraphs. The author does a great job of compiling a set of tools which I found extremely useful and I believe anyone scaling the company beyond 50 people will do too.
