Quantitative Methods For Business 11th Edition

It's easy to search
Wikibooks by topic,
and there are separate
sections for recipes
and childrens'

texbooks. You can
download any page as
a PDF using a link
provided in the left-
hand menu, but
unfortunately there's
no support for other
formats. There's also
Collection Creator - a

handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.
