The history of the homeowners is a big part of the history of a house. If you're lucky enough to track former owners all the way down to living descendants, then you may want to consider contacting them to learn more. People who have lived in the home can tell you things about it that you will never find in public records.

Tracing the History and Genealogy of Your Home

The House was built by 1911 by Thomas Frederick "Fred" Howarth, shown sitting in the rocking chair. Fred was a 50 year employee and vice president of Simond Saw and Steel Company, now Simonds International, in Fitchburg. The photo with the trowel was the laying of the cornerstone for one of the first "windowless" manufacturing plants ever built.
