Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

**The New Baby An Activity**  
The New Baby is an adorable activity paperback created to help children make sense of what it means to become a sibling. With humorous and colorful illustrations, children can doodle, color in and create. While the art is in play, little minds can begin to think about the ways in which life will be different once baby arrives, and about the roles of family members. —babyology
